---

1) Does Russia have a permanent presence in Crimea or elsewhere in Ukraine? (There are still hundreds of military bases, many of which Russia continues to call "natural resources" and that are maintained with little or no transparency, and that are the subject of ongoing disputes between Russia and Ukraine.).

Added a button to the top right of the screen that the creator can press to send his message. You can also press 'Add' in the 'More' button to place any other elements before, during, or after the initial image creation in order to make sure your own text is still used when sending those messages..
